## | Terms and Conditions |

### Prices:

**Prices:**

All prices are net prices, excluding VAT, EXW Vyšší Brod ZIP: 382 73 - Czech Republic

### Retention of title:

The delivered goods remains the property of the contractor until full payment has been received or until the check or bill of exchange has been honored.

### Terms of warranty:

The warranty includes only spare parts needed to repair the machine.

The distributor is responsible to repair the machine and to send a request for the needed spare parts to Lamidesk. Lamidesk will offer a second level support for the distributor. It means Lamidesk will assist the distributor to define the error and give assistance, how to repair the machine, by phone.

Lamidesk will ship spare parts to an address recommended from the distributor. Damaged parts have to be sent immediately back to factory. If we don't receive these parts in 3 weeks after receiving new parts, we will invoice them to distributor.

Customer has to make proper and consistent photo documentation of delivered goods before unloading and immediately unpack it before the forwarder leaves. On the delivery note the customer confirms the goods was delivered without any obvious defects.

**There is no warranty on the glass of working table!**

There is no warranty, if the error results from vandalism or misusing the machine.

Furthermore, there is no warranty on roller, if there are cuts or wholes, done by the user.

To avoid loosing warranty on machine, the machine should be used only with eligible materials. If unsuitable materials were used there, or the machine was used uncorrectly, the client loses the right to the warranty.

All demands of warranty have to be sent in a written notice to:
